

Arts and Crafts Start Monday

The Arts and Crafts classes, sponsored jointly by Prince Georges County and the City of Greenbelt, will begin next Monday, June 29th, at 9:30 a.m. in the Social Room of the Center School.

Two sessions will be held daily: 9:30 to 11:30 a.m., and 1:30 to 3:30 p.m. Nearly 150 children have registered and paid their dollar fee already.

The schedule for the seven week course follows:

Six-year-olds: Monday morning and Friday afternoon; these sessions will be for one hour only, all other classes will last two hours each.

Seven-year-olds: Monday afternoon and Tuesday morning.

Eight-year-olds: Tuesday afternoon and Wednesday morning.

Nine-year-olds: Wednesday afternoon and Thursday morning.

Ten-year-olds and over: Thursday afternoon and Friday morning.

Children who have not registered yet but would like to attend classes should come at the scheduled time (see above) with the dollar fee. Officials hope to accommodate all children but cannot guarantee space for late registrants.

Mrs. Genevieve Gerrits is director of the classes, assisted by Mrs. Lorna Ott. Part time instruction will be furnished by Mrs. Helen Frady.

Council Election Rules, Reminders

By E. DonBullian

The City Council election will be held this year on Tuesday, September 15, 1953.

Before that day, The Cooperator will print brief biographies of all candidates, 200 word limit.

The following is a complete list of requirements for voting in Greenbelt:

To vote, a person must be a citizen of the United States; at least 21 years of age; must have lived in Greenbelt for at least six months and in the State of Maryland for at least one year immediately preceding the election; is of sound mind, and is duly registered on the City registration list. Persons who have registered before and have voted in either one of the last two elections (1949-1951) do not have to register again. A list of names from the register since the last election will be posted in the Post Office in August. Any person who is not registered, but is qualified to vote, may register at any time until August 14 at the City Clerk's office over the Variety Store between the hours of 9 a.m. and 4:30 p.m., Monday through Friday. There will be TWO opportunities to register on weekends, one on Saturday, August 8 at the City Clerk's office over the Variety Store, and the second on Saturday, August 15, 1953 at the Greenbelt firehouse, between the hours of 9 a.m. and 6 p.m.

Register as soon as possible and avoid the rush and waiting on the special registration days. You can register any time up to August 15. There will be no evening hours for registration, so if you stay home at any time before the 15th of August, drop down and register.

Remember, the election is Tuesday, September 15, 1953 in the fire house at Greenbelt, from 7 a.m. to 7 p.m.

For information as to filing petitions for candidacy, call Mrs. W. McCamy at 2011.

The Last Free Issue

This is the last issue of the Cooperator to be delivered free to all the residents of Greenbelt. Beginning next week, only those people who have subscribed will receive the paper. This is not to say, however, that the subscription campaign is over. On the contrary, the carrier boys are still actively competing for prizes, and will continue to knock on doors. A subscription campaign is a never-ending job, just as the publishing of a newspaper every Thursday in the year is a never-ending job. So, for the convenience of those who have not yet subscribed, we are publishing a list of the carrier boys together with the routes they serve (see page 3). A phone call to the boy on your route will bring him out on the double.

Meanwhile, we are embarking on a new chapter in the history of our community. In the months and years to come the city of Greenbelt will expand, not only population-wise, but also in the services and conveniences it offers its residents. There will be many changes, and we intend to witness them—and to report them.

There are more than ten thousand weekly papers throughout these United States—more than five thousand of which are supported by communities smaller than Greenbelt. These papers are the backbone of America, the true spirit of independence, the voice of the people, and we are proud to be numbered among them. But the greatest virtue of the community newspaper is that it reports community news—news which is not reported by any other medium—and in this respect we hope to do the kind of job which will merit the support of our readers. — H. Z.

Community Church Opens Bible School

Monday, June 22 eighty-six children and 15 teachers and helpers started on their seven-day Vacation School, meeting in the new Fellowship Center and the Church Social Room. Mr. Braund welcomed the students at 9:30 and introduced the teachers and concluding remarks were made by Mr. Hull.

In addition to classes, play-periods and refreshments, a 10-minute film strip will be shown each day following the theme of the school, "Growing in knowledge of God through people and nature." Among other pictures to be shown are "Working Together," "Babies of Farm and Home" and "Bike Behaviour." The closing session will be held on Tuesday, June 30.

Satisfaction at the large enrollment and the evident interest and cooperation of the children was expressed by Mrs. Vera Weber, Dean of the School this year. All of the teachers and helpers were on hand for the opening session and several parents expressed pleasure with the plans and arrangements for this annual event.

Band, Majorettes Set For Fourth

The Greenbelt Community Band and Majorettes are planning to take part in the Fourth of July activities. Those members having uniforms are required to wear them, and those who do not have uniforms are requested to wear white trousers, white shirts and green ties. This apparel is to be worn during the morning parade and the concert, which is to be held at the Greenbelt Lake about 7 p.m. All musicians, young and old, are invited to attend rehearsals every Monday evening at 7:30 p.m. free during the month of June. Membership is open to all who live in the surrounding vicinity of Greenbelt; dues will be 35 cents during each rehearsal during the months of July and August. The idea that guest conductors will be invited during the month of August to take over rehearsals while our Band Director, Mike Ronca, goes on vacation, is being considered. There are still a few instruments left. The band hopes that parents will encourage their children to join.

St. Hugh's Picnic Features Alumni

The St. Hugh's parish picnic to be held in the school grounds in Greenbelt, Maryland, Sunday, June 28, will also be Homecoming Day for the many former Greenbelters who always take advantage of this occasion to meet old friends and neighbors.

A ham dinner will be served from two until nine, and an interesting program of games and sports will keep everyone busy and entertained.

All former Greenbelters are cordially invited to this friendly annual get-together.

First Annual Art Fair Opens Today

Greenbelters will be shopping out-of-town and still co-op this weekend, while the art fair at the Takoma Co-op draws its earliest visitors. The exhibit, which opened today, will last through July 3.

About 250 paintings will be on display, and cooperators who buy the art work will be contributing 25 percent of the price to CARE, for equipping a community center in the Philippines.

The Takoma co-op supermarket and drug-variety stores, as well as the branch of Suburban Trust located at the Takoma Shopping Center, will all act as display galleries. Also on sale, in connection with the art exhibit, will be an exhibit of imports from India, including belts, scarves, textiles, and other items.

MAC TO GO WEST, MAY MISS ELECTION

City manager Charles McDonald was authorized to attend the 39th Annual Conference of City Managers in Los Angeles, California, from September 20-24, by the city council last Monday night. McDonald stated he would be glad to attend the conference if it did not conflict with municipal matters.

As an afterthought, McDonald declared that the date may be an appropriate time for the city manager to be out of town - city council election takes place at that time!

An all day program of fun and excitement for Greenbelters of all ages has been planned by the Boys Club for its annual observance of the Fourth of July.

Festivities will start at 10 a.m. with a parade, in charge of Grand Marshal Austin Green. The procession will begin at Southway near Glenn Dale Road, proceed down Southway, through Centerway and out Crescent Road to the Lake. Children riding decorated bicycles and tricycles will join the end of the parade as it passes the intersection of Parkway and Crescent Road.

Program At Lake

Activities at the lake will start at noon with games, pony rides, bingo, refreshments, balloons, and other attractions. At 2 p.m., track events will begin, for children "from 3 to 60."

Prizes for the day's events will include: for juvenile winners in the parade, \$2 merchandise certificates at Arena Sporting Goods Store, Washington; for track event winners, one dollar merchandise certificates in any GCS store. GCS is also contributing two baskets of groceries and a \$50 English racing bicycle to be awarded to lucky winners.

The Greenbelt Band and Majorettes will lead the parade and a sound truck playing lively marches will bring up the rear. Other bands representing Washington Boys Clubs also may be in the line of march.

Fireworks At Nine

The huge display of fireworks is scheduled to begin at the Lake at 9 p.m. Following that exhibition, there will be a midnight swim at the swimming pool from 10 to 12, for adults only. Tickets will be \$1 per person and will be on sale at the lake during the day and at the pool entrance.

This is the third year that the Boys Club has sponsored the 4th of July observance in Greenbelt. All proceeds will go towards outfitting its various athletic teams.

Picnic Planned By Community Church

The Annual Greenbelt Community Church Picnic will be held at the lake on Saturday, June 27 from 10:30 a.m. on. There will be games, races, tugs-of-war and prizes for all ages. Softball equipment will be on hand and available as will horse shoes, all day long.

It was stressed by the committee in charge that there would be free watermelon and soft drinks for all comers. Assisting Mrs. Bettie Denson, Church School Superintendent, will be a committee made up of, James Williams, Esther Wolfe, Ralph Converse, Bill Blacker and Ralph Miller. Dean Jensen and Dale Freese will also be on hand to assist with the contests of the day. All families and friends of the Church and Church School are invited. Bring the family picnic basket, well filled, to the Lake Pavilion area this Saturday!

CO-OP NURSERY TAKES APPLICATIONS

The Greenbelt Cooperative Nursery School is now accepting application for the 1953-54 school year. Three and four year old children may be enrolled. Registration blanks can be obtained from Mrs. Volckhausen. Phone GR. 3-8451.

Gardeners Plan Two Gala Contests

The next meeting of the Greenbelt Garden Club will be at 8 o'clock at the center school on Monday, June 29.

Two flower garden and yard contests have been planned for the City of Greenbelt by the Greenbelt Garden Club. One of the contests will be for old Greenbelt, and one for new Greenbelt. The contest, which will be judged by members of the horticulture department of the University of Maryland, will be held about the middle of September. Further plans for this contest will be announced.

Kindergarten Needs More Applicants

Registrations for the Fall term of the Cooperative Kindergarten are now being accepted, according to Mrs. Nelson Holton, president.

Early enrollments are being encouraged in order to assure the engagement of a professional teacher, she stated.

The kindergarten offers an opportunity to introduce children into a wider social life, Mrs. Holton stated. She quoted Gesell, child psychologist, as saying "The five-year old is ripe for enlarged community experience. Home is not quite enough. He is already well domesticated; indeed almost self-dependent in the every-day personal duties of washing, dressing, eating, sleep errands, and simple household tasks. He wants to go to school; he is anxious to be on time when he does go; he glows with pride when he brings home his drawings and handicraft for admiration."

Additional information on registration and fees may be obtained by calling GRanite 3-4552, Mrs. Holton said.

Our Neighbors

By Dorothy McGee, phone 8083

Giving a helping hand to last weekend's telecast for the benefit of the Cerebral Palsy Fund, were several Greenbelt members of the National Council of Jewish Women. From Saturday, 8 p.m. to Sunday, 8 a.m. there were: Ida Ryss, Rita Hazelcorn, Nettie and Norman Granims, Hal and Martha Fischer, Lillian Hoffman and Lester Citron who, through the long, thrilling night answered the phone backstage, verified donations, stayed at the "prizes" desk, and served refreshments. Taking over on the telethon at 6 a.m. Sunday were: Helen Justman, Myra Hertz, Adele Feingersh, Lydia Novick and Lil Schwimer. As one of the women put it, "To be given the opportunity of helping such a cause was a wonderful, exciting and very rewarding experience." For the past two years the transporting of cerebral palsied to the school in Washington has been a project of the National Council. Some of the above mentioned women have been participating in this project for the past year.

A fare-thee-well party was given for Mary Callanan Monday evening by the choir of St. Hugh's at the home of Mrs. Charles McDonald. They gave Mrs. Callanan as a parting gift, one she can treasure, a daily Missal in four volumes. The fifteen members present had a very good time; some who'd never been there before enjoyed being shown around the McDonald Farm.

Tom and Estelle Dolgoff, former Greenbelters now of Topeka, Kansas, will be visiting Greenbelt for a day or two next week and hope their friends will come to see them Tuesday evening, June 30 at 2-A Westway, the home of Sonia and Al Novak.

Mr. and Mrs. Paul Lentz and three children of 9-M Research Road left last week for Colorado, to be gone for six weeks.

Miriam and Morris Solomon returned Saturday from a week's vacation in Herrington Manor, near Swallow Falls State Park in the far western corner of Maryland.

Melvin Fields, 56-D Crescent Road, presented a paper on the curing of meat products at the National Convention of Food Technologists held in Boston this week.

It's nice to see Frieda Perelzweig's baby, Naomi back from the hospital. Mrs. Perelzweig wants to thank friends and neighbors who have been so kind and thoughtful. Also we're glad to know that Mrs. Neff's mother, also, is home from the hospital.

Florence and Nat Shinderman moved on Tuesday from 10-D Southway to 2-K Westway.

Rae and Ben Berkofsky of 25-B Ridge expect to move tomorrow to 5-A Ridge.

Incidentally, we'd be happy to print the new telephone numbers of any of you who have changed numbers. And to repeat one in case you missed it, the Tom Ritchies' number has been changed to GRanite 4-2541.

A/3C John N. Sauls, 19, son of Mr. and Mrs. B. A. Sauls of 28-A Ridge Rd., has entered the Air-

plane and Engine Mechanic's School at Sheppard Air Force Base, the home of the largest technical school of this type in the world. Upon graduation he will be awarded the rating of Airplane and Engine Mechanic. Along with the majority of graduates in his class, he will enter a course for advanced training or will be assigned to one of the major Air Force commands for on-the-job experience with first-line operational aircraft after completion of his schooling at Sheppard. Airman Sauls is a graduate of Northwestern High School and was employed by the Maryland Game & Inland Fish Commission prior to his entrance into the Air Force on February 25, 1953.

Walter and Jane Volckhausen, 4-B Forestway spent the weekend at Netcong, New Jersey in the Pocono Mountains. They attended the joint meeting of the Mid-Eastern Cooperatives and the New York Section of the Cooperative Institute Association at the Hudson Guild Farm. The Volckhausens helped out with the recreation program and some of the panel discussions.

Carnie Harper, 2-B Eastway, we are sorry to report, is learning how to use crutches, since she broke her ankle last Saturday aboard the boat of their friends Henry Meyers, down at Deal, Md.

Mrs. Charles Cormack, Jr. is enjoying an extended visit from her mother, Mrs. Benjamin Taylor, who is here from Miami Beach. The Charles Cormack, Jr. family expects to move this weekend into 35-H Ridge.

Naomi, youngest daughter of the Ben Perelzweigs of Hillside Road, has been very ill, and for more than a week, a patient in Children's Hospital. We are happy to report that her condition is improving, although she is expected to remain in the hospital for another two weeks.

The Tom Hollands, ten year residents of Greenbelt, and their four children, have moved to their own home at 7105 Taylor St., Landover Hills, Md. Their new phone number is UNion 4-5160. They invite all their old friends to come visit them.

GREENBELT YOUTH ON ARMY BALL TEAM

AUGSBURG, GERMANY - A Greenbelt, Md., soldier is playing baseball this season for the 102d Infantry Regiment team in Germany.

He is Jerry L. Springmann, son of James W. Springman, 22-A Hillside Road. Springmann, a medical aidman with the regiment's Medical Company, has been in Europe since October 1951. He holds the Army of Occupation Medal for duty in Germany.

A graduate of Greenbelt High School, he was a surveyor in civilian life.

His unit, the 102d Regiment, is part of the 43d Infantry Division, an arm of the NATO defense forces in western Europe.

My Daze

SUMMERTIME IS VERY GAY
For youngsters and their fathers too,
Yet what it means to mothers
Is lots more wash and ironing to do.

WE THINK THE BABY TALKS WELL, but all it is, is that we've learned to interpret prattle that would baffle strangers. For instance, when he says the word sleep he means blanket; when he says the word soup it means either juice or soup; when he says "mulk" it means either milk or water. When he says no, it means yes or no, and the way to tell which it really is, is to test the alternatives for his reaction. He's just a rotund nuisance, providing plenty of comic relief.

A NEIGHBOR STOPPED HER WALK UP THE PATH, looked skyward, and exclaimed to the small crowd which immediately gathered about: "Look at that poor little squirrel stretched along the tree branch. It must be caught, or sick." Someone fetched a ladder and pole, but when he tried to help the squirrel down, it merely jumped higher. The crowd scattered, but after a half-hour of listening to the squirrel's meows, I phoned the police who referred me to the Prince Georges County Animal Rescue League. The lady who answered explained that a squirrel up a tree is no cause for alarm because that's his home. She would worry, she said, if the squirrel were on the ground and couldn't get up. She thought the meowing was just the way a squirrel talked normally, or perhaps a boy had shot and frightened it with a rifle. When I hung up, and looked outside, the squirrel had disappeared. Then my concern about the squirrel seemed as foolish as if I'd seen a fish in water, and was afraid it might drown.

ACREAGE PLOT UNIT MEETS TUESDAY

Avondale Actors Open New Season

The Pine Tree Players are presenting Noel Coward's "Hay Fever" nightly this week at the Avondale Playhouse on Route 1, one mile south of Laurel.

"Hay Fever" which opened last Tuesday evening is scheduled to run through Saturday, June 27. Curtain rises at 8:40 p.m.

The play is a comedy about a theatrical family who invites four weekend guests to their home. The arrival of the guests creates a chaotic situation wherein each of the guests becomes romantically entangled with members of the family.

In the leading roles will be seen Lee Norman, Richard Grant, Gerald Krone, and Rhoda Greenberg. The production is being directed by Mrs. Dorothy Willis McDonald, former instructor at the University of Maryland. Tickets may be reserved by calling Laurel 1037.

The next production, which starts Tuesday, June 30, will be "The Little Foxes."

Every Thursday at 2 p.m. the group presents for youngsters a puppet show based on well known fairy tales.

Orioles Win 8-1

The Orioles defeated East Pines Juniors by 5 to 2 at Braden Field last Thursday evening in a game highlighted by Vernon Iseli's effective hurling and the home run bats of Mike Cockill and Tony Baker. After a shaky start Iseli settled down to pitch real ball, striking out 9 and walking only 3. Jim Stripling went to the mound in the last two innings for some practice tosses and fanned 5 batters.

The home run twins clouted their successive blast in the first inning. Catcher Bob Cross had a double and single in 3 tries and Charley Tex Thompson notched a three-bagger.

Our Oriole nine is in undisputed first place in the County Junior Boy's Club after last Saturday morning's win over Takoma Park. Tommy Canning bear the heat as well as Takoma as he stuck to his guns for an 11 to 5 - 93 degree victory. The slim Canning whiffed 8 and walked 3 as he preserved the Orioles' undefeated streak.

Jim Stripling, Dave Lee, Bob Gross and Don and Bing Miller each paddled out a pair of bingles. Tony Baker and the two Millers had twin RBI's and Gross prodded across three tallies. Bruce MacEwen's double was the only Bird extra.

LEGION BALL TEAM WINS 3RD STRAIGHT

The Greenbelt Legion nine won its third straight league victory by downing Bowie 11-5 and thereby strengthened its standing in the fight for first place in the Southern Maryland District league. The winner of this league will go to Salisbury, Md. to compete for the state title.

In Sunday's game which turned into a slugging contest under the hot sun, Greenbelt, although out-hit 12 hits to 8, delivered their raps when they were needed and played better ball afield. Roy Henderson notched his 2nd win in going the distance and fortunately, kept the opponents' hits fairly scattered. Bob Hospan led the batters with a single and a triple in four times at bat.

Next weekend Greenbelt plays Cheverly at Cheverly in the game which may produce the league champions. Both teams are undefeated and have been routing opposition. Saturday afternoon the team plays a non-league game with the National Cathedral of Washington at Braden Field.

Co-op Tumbles Giants, Tie Lead; Athletics Still Top Nat'l League

By Bill Moore

Little Greenbelt League baseball developments over the past two weeks on McDonald Park's rock-strewn sandy acre show George Preston's Athletics showing their heels to the rest of the National loop and Bernie Emmert's Co-Op gaining a tie for the American top spot with Jim Ewing's Giants.

On June 8 the Giants clipped last year's champions, Mel Taylor's Wildcats, by 16 to 8. Carl Schossler's two doubles and 2 RBI's

I'm New Here

Since taking up residence here in March of this year, I can appreciate your correspondent's remarks in the June 4th issue of Greenbelt Cooperator relative to Greenbelt being "Maryland's Paradise." I feel like a Rip Van Winkle awakening after a long sleep, to the continuation of a very pleasant dream.

I cannot from personal experiences agree with the poem, as we have had prompt service from the Maintenance Department. There was an electrical circuit with an open (a test of the circuit revealed the trouble). Also, the large burner of the electric stove was out of order, and the swinging faucet in the kitchen sink was dripping badly, wasting water. These matters were reported to the Maintenance Department and received prompt servicing.

Of course the poem is just a joke; but as I understand there are some 1800 units in this development to care for, and with the many changes and influx of new members, no doubt the demands have been terrific. With such a staff as \$11 some cents-per-month-per unit maintenance charges can provide there may be unavoidable delay in many cases during the period when owners are taking possession. "M is for the million things our house needs" is a large order but no doubt was considered in pricing the units for sale. To keep Greenbelt a Paradise and at the same time keep down the cost of maintenance, owners can help by doing any minor repairs themselves, living up to the town's ordinances, and conforming to all the restrictions imposed by their contracts to buy. To keep the city a garden spot, members should unite to prevent vandalism, the destruction and breaking down of hedges, damaging the roofs of garages. Most of it is thoughtless, mischievous vandalism, not malicious, but the results are the same. Advantages are counter-balanced by obligations.

The body of men who made this Paradise available to us should be "thumbnailed" for their untiring, unpaid-for months of work and planning, losing hours and days of valuable time, climbing over what looked like unsurmountable obstacles to finally overcome what make their vision materialize. seemed to be the impossible to Truly a beautiful butterfly from an ugly caterpillar of an undertaking. A JOB WELL DONE. All members should be thankful to them. It would be nice to show some tangible way of appreciation by publicly dining them and entertain them at a reception in their honor for their efforts which culminated in this Paradise.

—RIP VAN WINKLE.

Co-ordinating Group Discusses By-Laws

At the meeting of the Community Coordinating Committee of Greenbelt, held last Monday evening, the by-laws were presented and read by Anita Bickford, member of this subcommittee.

The next meeting, tentatively set for July 22, will have on its agenda a broader discussion of these by-laws by a greater representation of the membership.

Suggested aims of this organization are: 1) The purpose of this organization shall be to have all organizations in Greenbelt work together in sponsoring those projects which may be more successful when undertaken on a joint basis rather than by separate organizations. 2) To act as a central source of information on the town and its organizations.
